

# CALLING OUT THE CALLED

EMPHASIS MONTH

## WEEK 1

### PRAYER PROMPTS

1. Pray for the Holy Spirit to guide you to a particular sphere of Christian ministry in your church.
2. Pray for your church's current leaders.
3. Pray for the churches in your community, Missouri, and around the world—that they would discover the leaders they need.
4. Pray for current college and seminary graduates—that the Holy Spirit would guide them to places of service.

### REFLECTION QUESTIONS

1. Are you convinced that Jesus has gifted His Church with the resources she needs to accomplish His purposes?
2. Why do most churches instinctually believe that the leaders she needs will come from outside of her membership instead of from within? How might my church begin to develop and equip her own members?
3. How do I presently use the gifts that Christ has given me?
4. Who can I ask to help me discern how I might be best gifted to serve my church?
5. How can my church better identify those Jesus is calling to Christian leadership?
